## **Article XII. Moving Up**

From time to time, particularly from Micro-Mini to Mini Novice, a player, parent or coach may feel that a particular player should be moved up to the next birth year. Move-up letters can also request to play up with the child's same grade or to request playing up with a sibling that is one year older. Only the parent of the child may ask to have their child moved up by sending a letter from the parent to the Board of Directors before the last registration. To be eligible for a move-up, registration payment or a deposit must have been made at the time of the request.

The Board of Directors will then consider the request using the following criteria:

1. Talent: The ability of the player to compete in the next birth year.
2. Recommendation from last year's coach and/or recommendation for other coaches familiar with the player.
3. The Board's need for the player in either the upper or lower division or birth year to field teams.

All requests for moving up must be received prior to the registration deadline.

Once a player is moved up that move-applies for that one year only. The withdrawal of that move-up request must be in writing from the parent directed to the Board. Moving up means that the players' birth year is decreased by one except in special cases to be approved by the board to accommodate exceptional players.

### **Article XIII. Team Selection**

The Board has the right to suggest modifications of the team selection process on a case-by-case basis as deemed appropriate for the well-being of the Association and the players. Any modifications will be approved by a majority vote at a general Association meeting.

**Goal:** To organize rosters so all registered players can be placed on a team. As much as reasonably possible, teams should be selected by keeping all players in the same Soccer Birth Year.

#### Section 1. **Definitions**

Soccer "Birth year" is defined as:

A player's birthday falling within January 1<sup>st</sup> through December 31<sup>st</sup>, a range one year in length, and hereafter just call "*Birth Year*". Any player birthday falling within that date range for a given player year, regardless of school grade, is considered to be in that Birth Year.

A 11v11 team is defined as:

A team playing in a division that is determined to be a maximum of 11 players on the field at a time by the governing league.

A 9v9 team is defined as:

A team playing in a division that is determined to be a maximum of 9 players on the field at a time by the governing league.

A 7v7 team is defined as:

A team playing in a division that is determined to be a maximum of 7 players on the field at a time by the governing league.

The "A" team is defined as:

The team selected to compete at a higher level of all teams within an age group or division.

The "B" team(s) is defined as:

The team or teams consisting of players not on the A team within an age level or division. There may be more than one B team at any given age level or division.

“Tryouts” are defined as:

The process for selecting teams: All players should attend tryouts. Parents (or guardians) of players who wish to have their child considered for the A team but who cannot attend must notify the Board of Directors in writing prior to the tryout date that the player wants to be eligible to be selected for the A team in absentia.

The “Sibling Option” is defined to be:

If two players from the same family are of the same Birth Year and would be playing in the same division and the parent(s) want them both on the same team, then both players must play on the same team. If at any point one of the players is being considered in a tryout team change situation (up or down) the move must apply to both players. If both players cannot play at the higher skill level, then both players must play at the lower skill level. The Association needs to be notified of the parent's sibling option intentions at a player's initial registration and this option will remain with the player year after year until rescinded by a parent in writing. For siblings one Birth Year older see Move-Up Request (Article XII).

## Section 2. **Too Many Players**

Once each team has their allotted players (18, 16 or 14 depended on the division age level per Section 6), the remaining registered players will be placed on a waiting list in the order they were selected. If a roster spot opens up on any team at that age level A or B, the first player on the waiting list will be activated for that team.

## Section 3. **New or Returning(late) Player Selected After Registration and Tryouts**

When a new or returning player requests late-registration after tryouts, acceptance and placement of the player will be at the discretion of the tryout committee and the Board.

## Section 4. **A Team Eligibility**

All players for an age level/division (including move-up players) that attend tryouts or declare themselves to be candidates in absentia prior to the tryout date are eligible for the A team.

## Section 5. **Teams in a Division**

1. If there are enough players for one team in a Birth Year (example U9), that will be considered the A team.
2. If there are only enough players for one team in a Division (example Mini-Novice, that will be considered the A team.
3. If there are two or more teams in a Birth Year or Division, one shall be called A and will be rated higher than the other(s), which will be called B (C, D, etc.).

#### Section 6. **Selection at Team Age Level Tryouts**

1. Each age divisions tryouts will be run by a committee of 4 or 5 Association members and guests as appointed by the Board.
2. The committee-run tryout will use a set of drills and small-sided games to evaluate the players. The drills will be determined by the committee.
3. At the completion of tryouts, the Board and the committee will create the teams from the available players. The A team will be created first, then the B team and so on (see Section 5) until all players at the tryouts and those considered in absentia have been placed.
4. Any registered player who does not attend tryouts and has not declared him/herself available in absentia will be placed on a team after all players attending tryouts and considered in absentia have been placed. The placement of the players not attending will be at the discretion of the tryout committee and the Board.
5. Considerations for team placement include the previous year's coaches' evaluation, tryout scores, and tryout observations.

#### Section 7. **Player Notification of Fall/Spring Team Selection**

All players are notified of team selection by their coach no sooner than July 5<sup>th</sup> (Fall Season) and January 2<sup>nd</sup> (Spring Season). When the time comes to notify players of team selection, that team's Head Coach must directly contact parents of all players. A coach shall contact the Board by August 1<sup>st</sup> (Fall Season) or February 1<sup>st</sup> (spring Season) if a parent cannot be directly contacted.

#### **Article XIV. Spring Soccer**

A separate registration for Spring will be held at a determined date. Team modification, coaches, and fees will be determined by the Board of Directors. Additional players including new players may be added (if needed). Spring teams must use the official Association uniform as described in Article IX, Section 4.
